To all our Patrons, Guests, Sponsors and Donors, our greatest appreciation and thanks for your support for the 2017 Biff Kids for Pinellas Toy Drive.

Through our long standing partnership with Lealman, Pinellas Park and St Petersburg Fire Departments, along with our generous donors like the Fran Haasch Law Group and Barney 's Motorcycle and Marine for the donation of the 2017 Yamaha Waverunner, we raised over \$23,000.00 and several thousand toys which Santa passed out to local children. Donations and food were also distributed to the VA Bay Pines Hospital and for local families in need for both Thanksgiving and Christmas.

As we begin our 2018 Biff Kids for Pinellas Campaign, we would like to remind you that all donations are tax deductible and receipts will be provided upon request.

Please make any monetary donations out to BIFF KIDS.

Please help us make 2018 Biff Kids for Pinellas a banner year.
Follow us on our web-site for our 2018 Biff Kids event calendar.
