## FOOD POLICY

### BIFF BURGER

In an effort to insure that your food is fresh and hot, **we do cook to order.**

When a sandwich is made with lettuce and mayo and held under a heat lamp or steam unit, even for a short time, the lettuce and bun become soggy and the mayo tastes bad. French fries go limp, etc...

**AT BIFF BURGER,** our lean, fresh, never frozen hamburger is cooked on a roto char-broiler and the buns are toasted and dressed to your liking with fresh, cold lettuce, tomatoes, etc...

**We know your time is valuable,** and you would like your food as fast as possible. Believe me, our staff will make every effort to prepare your meal as quickly as possible.

I'm sure you'll agree - the taste and quality of our food is worth a little longer wait.

### BUFFY'S SOUTHERN PIT BBQ

Our Pork, Beef, Chicken & Ribs are slow hickory smoked in our pit barbecue... We offer both wet or dry ribs and chicken to satisfy everyone's taste. Please keep in mind that our smoking process does leave a reddish color in our pork, ribs & chicken. But we assure you that all of our products are cooked fully.

Our food is served by our friendly staff at the patio bar and patio area, and of course all items are available at the drive-thru. Inside air conditioned dining is available for Buffy's patrons at Biff Burger.

Cater your own event & save money. We will cook all the food and have it hot & ready for pick up. Just set up and serve. Party packs & menu's available for parties of all sizes.

Check out Tampa Bay's longest outside bar, watch your favorite sporting events or reminisce with 50's and 60's music. Food specials daily.

Live Entertainment, contest and give-aways are weekly events.

Your comments are always appreciated,
